

Fenwick® HMX® Spinning

Fast-taper, fast-action, cross-scrim graphite performance. Some rods just feel right. The Fenwick® HMX™ series, with its true fast taper, happens to be one of them. This allows for faster actions with no weight increase. Cross-scrim IM7 graphite adds strength and balance to the butt section, making the HMX™ series ideal for situations where quick reflex hooksets and light weight are important. The cross-scrim construction also lends exceptional sensitivity and responsiveness.

Model No.	Line Lb/Test	Lure Wt/Oz	Rod Length	Rod Power	Price
HMXS 70H (1117497)	10 to 20	3/8-1 1/4	7ft	Heavy	84.95
